ST TMS	Sao Tome Island		Port; Airport; Postal exchange office;	Code adopted by IATA or ECLAC	
ST TRI	Trindade		Postal exchange office;	Code adopted by IATA or ECLAC	

<sup>i</sup>This column contains the geographical coordinates (latitude/longitude) of the location, if there is any. In order to avoid unnecessary use of non-standard characters and space, the following standard presentation is used:

**0000lat 00000long** (*lat* - Latitude: N or S ; *long* – Longitude: W or E, only one digit, capital letter)

Where the last two rightmost digits refer to minutes and the first two or three digits refer to the degrees for latitude and longitude respectively. In addition, you must specify N or S for latitude and W or E for longitude, as appropriate.
